2. DESCRIPTION OF OTHER RIGHTS AND LIMITATIONS

2.1 SECURITY INTERFACE MODULE ("SIM"). THERE ARE TECHNOLOGICAL MEASURES IN THIS SOFTWARE THAT ARE DESIGNED TO PREVENT UNLICENSED USE OF THE LICENSED SOFTWARE. A parallel or USB based SIM is included and part of the Licensed Software. You may not be able to exercise your rights to the Licensed Software under this EULA until the SIM is plugged into your PC. You may also need to reactivate the Licensed Software if you upgrade to newer versions of the Licensed Software. Predator will use the SIM and appropriate levels of security to confirm you have a legally licensed copy of the Licensed Software. If you are not using a legal copy of the Licensed Software with a SIM, you are not allowed to install the Licensed Software or future updates to the Licensed Software. Predator will not collect any personally identifiable information from your PC during this process. Should the SIM fail to operate or by physically damaged, Predator will replace the SIM for a nominal cost provided the original is returned to Predator. Should the Licensed Software, including the SIM, ever be lost or stolen, Predator can replace the Licensed Software, including the SIM, for the current price of the Licensed Software. Predator will not replace lost or stolen Licensed Software, including the SIM at reduced fees. Predator encourages you to file a police report and claim the loss with your insurance company.

2.2 Internet-Based Services. You may not attempt to gain unauthorized access to any service, account, computer systems or networks associated with the Internet-based services.

2.3 Initial activation of the Licensed Software will be enabled with temporary serial numbers and access codes after receipt of your order or to evaluate the Licensed Software. Permanent serial numbers and access codes require a SIM and will be provided to you by Predator or a Predator VAR only after final payment has been received by Predator.

3. RESERVATION OF RIGHTS AND OWNERSHIP. Predator reserves all rights not expressly granted to you in this EULA. The Licensed Software is protected by copyright and other intellectual property laws and treaties. Predator owns the title, copyright, and other intellectual property rights in the Licensed Software. The Licensed Software is licensed, not sold. This EULA does not grant you any rights to trademarks or service marks of Predator.

4. LIMITATIONS ON REVERSE ENGINEERING, DECOMPILATION, AND DISASSEMBLY. You may not translate, reverse engineer, modify, decompile, disassemble or create derivative works of the Licensed Software including the SIM, except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation.

5. NO RENTAL/COMMERCIAL HOSTING. You may not rent, lease, lend or provide commercial hosting services with the Licensed Software.

6. CONSENT TO USE OF DATA. You agree that Predator and its affiliates may collect and use technical information gathered as part of the product support services provided to you, if any, related to the Licensed Software. Predator may use this information solely to improve our products or to provide customized services or technologies to you. Predator will not disclose this information in a form that personally identifies you.

Predator is not responsible for the contents of any third-party sites or services, any links contained in third-party sites or services, or any changes or updates to third-party sites or services. Predator is providing these links and access to third-party sites and services to you only as a convenience, and the inclusion of any link or access does not imply an endorsement by Predator of the third-party site or service.

8. ADDITIONAL SOFTWARE/SERVICES. This EULA applies to updates, supplements, add-on components, or Internet-based services components, of the Licensed Software that Predator may provide to you or make available to you after the date you obtain your initial copy of the Licensed Software, unless they are accompanied by separate terms. Predator reserves the right to discontinue Internet-based services provided to you or made available to you through the use of the Licensed Software.

9. UPGRADES. To use Licensed Software identified as an upgrade, you must first be licensed for the software identified by Predator as eligible for the upgrade. After installing the upgrade, you may no longer use the original software that formed the basis for your upgrade eligibility, except as part of the upgraded software.

10. NOT FOR RESALE SOFTWARE. Licensed Software identified as "Not for Resale" or "NFR," may not be sold for value, transferred or distributed in any manor to a third party. NFR licenses can only be used for the purpose of demonstration, training, test or evaluation by an authorized Predator VAR.

14. SOFTWARE TRANSFER. 14.1 Internal. You may transfer your copy of the Licensed Software, including the SIM, to a different PC within the guidelines of section 1.1. After the transfer, you must verify that the original PC will not operate the Licensed Software by uninstalling the Licensed Software or by validating that it fails to operate without the SIM.

14.2 Transfers to a Third Party. If you are the person who initially licensed the Licensed Software, you may make a one-time permanent transfer of this EULA, Licensed Software and SIM to another end user, provided that you do not retain any copies of the Licensed Software. This transfer must include all of the Licensed Software (including all component parts, the SIM, the media and printed materials, any upgrades, and this EULA). Predator Software Maintenance is non-transferable. Once the transfer is complete the Third Party can purchase a new Predator Maintenance Plan. The transfer may not be an indirect transfer, such as a consignment. Prior to the transfer, the end user receiving the Licensed Software must agree to all the EULA terms. Transfer to a Predator competitor, competitive VAR or distributor is prohibited.

15. TERMINATION. Without prejudice to any other rights, Predator may terminate this EULA if you fail to comply with the terms and conditions of this EULA. In such event, you must return or destroy all copies of the Licensed Software, including the SIM, and all of its component parts.

16. LIMITED WARRANTY FOR SOFTWARE ACQUIRED IN THE US AND CANADA.

Predator warrants that the media and the SIM included with the Licensed Software will perform substantially in accordance with the accompanying materials for a period of sixty (60) days from the date of shipment. If an implied warranty or condition is created by your state/jurisdiction and federal or state/provincial law prohibits disclaimer of it, you also have an implied warranty or condition, BUT ONLY AS TO MEDIA AND SIM DEFECTS DISCOVERED DURING THE PERIOD OF THIS LIMITED WARRANTY (SIXTY DAYS). AS TO ANY DEFECTS DISCOVERED AFTER THE SIXTY DAY PERIOD, THERE IS NO WARRANTY OR CONDITION OF ANY KIND. Some states/jurisdictions do not allow limitations on how long an implied warranty or condition lasts, so the above limitation may not apply to you. Any supplements or updates to the Licensed Software, including without limitation, any (if any) service packs or hot fixes provided to you after the expiration of the sixty day Limited Warranty period are not covered by any warranty or condition, express, implied or statutory.

LIMITATION ON REMEDIES; NO CONSEQUENTIAL OR OTHER DAMAGES. Your exclusive remedy for any breach of this Limited Warranty is as set forth below. Except for any refund elected by Predator, YOU ARE NOT ENTITLED TO ANY DAMAGES, INCLUDING BUT NOT LIMITED TO CONSEQUENTIAL DAMAGES, if the Licensed Software does not meet Predator's Limited Warranty, and, to the maximum extent allowed by applicable law, even if any remedy fails of its essential purpose. The terms of Section 18 ("Exclusion of Incidental, Consequential and Certain Other Damages") are also incorporated into this Limited Warranty. Some states/jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This Limited Warranty gives you specific legal rights. You may have other rights which vary from state or jurisdiction to state or jurisdiction. YOUR EXCLUSIVE REMEDY. Predator's and its suppliers' entire liability and your exclusive remedy for any breach of this Limited Warranty or for any other breach of this EULA or for any other liability relating to the Licensed Software shall be, at Predator's option from time to time exercised subject to applicable law, (a) return of the amount paid (if any) for the Licensed Software, or (b) repair or replacement of the Licensed Software, that does not meet this Limited Warranty and that is returned to Predator with a copy of your receipt. You will receive the remedy elected by Predator without charge, except that you are responsible for any expenses you may incur (e.g. cost of shipping the Licensed Software to Predator, cost of bundled hardware, and cost bundled services). This Limited Warranty is void if Predator has not received payment for the Licensed Software or failure of the Licensed Software has resulted from limits of your machine tools or manufacturing equipment, lack of machine documentation, limits of your network or servers, failure to install on minimum PC and operating system requirements, failure to apply operating system updates, third party software updates, Predator updates, hardware or firmware updates, incompatible or bad device drivers, accident, abuse, misapplication, abnormal use or a virus. Any replacement Licensed Software will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer, and Predator will use commercially reasonable efforts to provide your remedy within a commercially reasonable time of your compliance with Predator's warranty remedy procedures. Outside the United States or Canada, neither these remedies nor any product support services offered by Predator are available without proof of purchase from an authorized international source. To exercise your remedy, contact Predator, or the Predator VAR serving your country.

17. DISCLAIMER OF WARRANTIES. The Limited Warranty that appears above is the only express warranty made to you and is provided in lieu of any other express warranties or similar obligations (if any) created by any advertising, documentation, packaging, or other communications. Except for the Limited Warranty and to the maximum extent permitted by applicable law, Predator and its suppliers provide the Licensed Software and support services (if any) AS IS AND WITH ALL FAULTS, and hereby disclaim all other warranties and conditions, whether express, implied or statutory, including, but not limited to, any (if any) implied warranties, duties or conditions of merchantability, of fitness for a particular purpose, of reliability or availability, of accuracy or completeness of responses, of results, of workmanlike effort, of lack of viruses, and of lack of negligence, all with regard to the Licensed Software, and the provision of or failure to provide support or other services, information, software, and related content through the Licensed Software or otherwise arising out of the use of the Licensed Software. 19. LIMITATION OF LIABILITY AND REMEDIES. Notwithstanding any damages that you might incur for any reason whatsoever (including, without limitation, all damages referenced herein and all direct or general damages in contract or anything else), the entire liability of Predator and any of its suppliers under any provision of this EULA and your exclusive remedy hereunder (except for any remedy of repair or replacement elected by Predator with respect to any breach of the Limited Warranty) shall be limited to the greater of the actual damages you incur in reasonable reliance on the Licensed Software up to the amount actually paid by you for the Licensed Software or US$5.00.
